ABOUT US

Our History

TAMOLINK SERVICES was incorporated in 2017 to provide transportation, civil engineering, roads and supplies services with guaranteed affordable services.

The company has been instrumental in adding value to services in the Ugandan market both to the public and private sector.

We're one of the leading multi modal companies with integrated transport services.

Through our innovative and cost saving methods, we have consistently added value to our clients and this has been attributed to our competence, reliability and flexibility.

Our Vision

To be the leading providers of efficient transportation services and distribution of cargo and logistics.

Our Mission

To offer our clients a unique and customized service that is affordable and reliable.

Our Values

- Integrity ■ Excellence ■ Responsiveness ■ Professionalism ■ Teamwork
- Innovation

Our Core Objectives

- Client Experience.
- Quality and safety in providing transportation, technical and distribution services.
- On time service delivery.

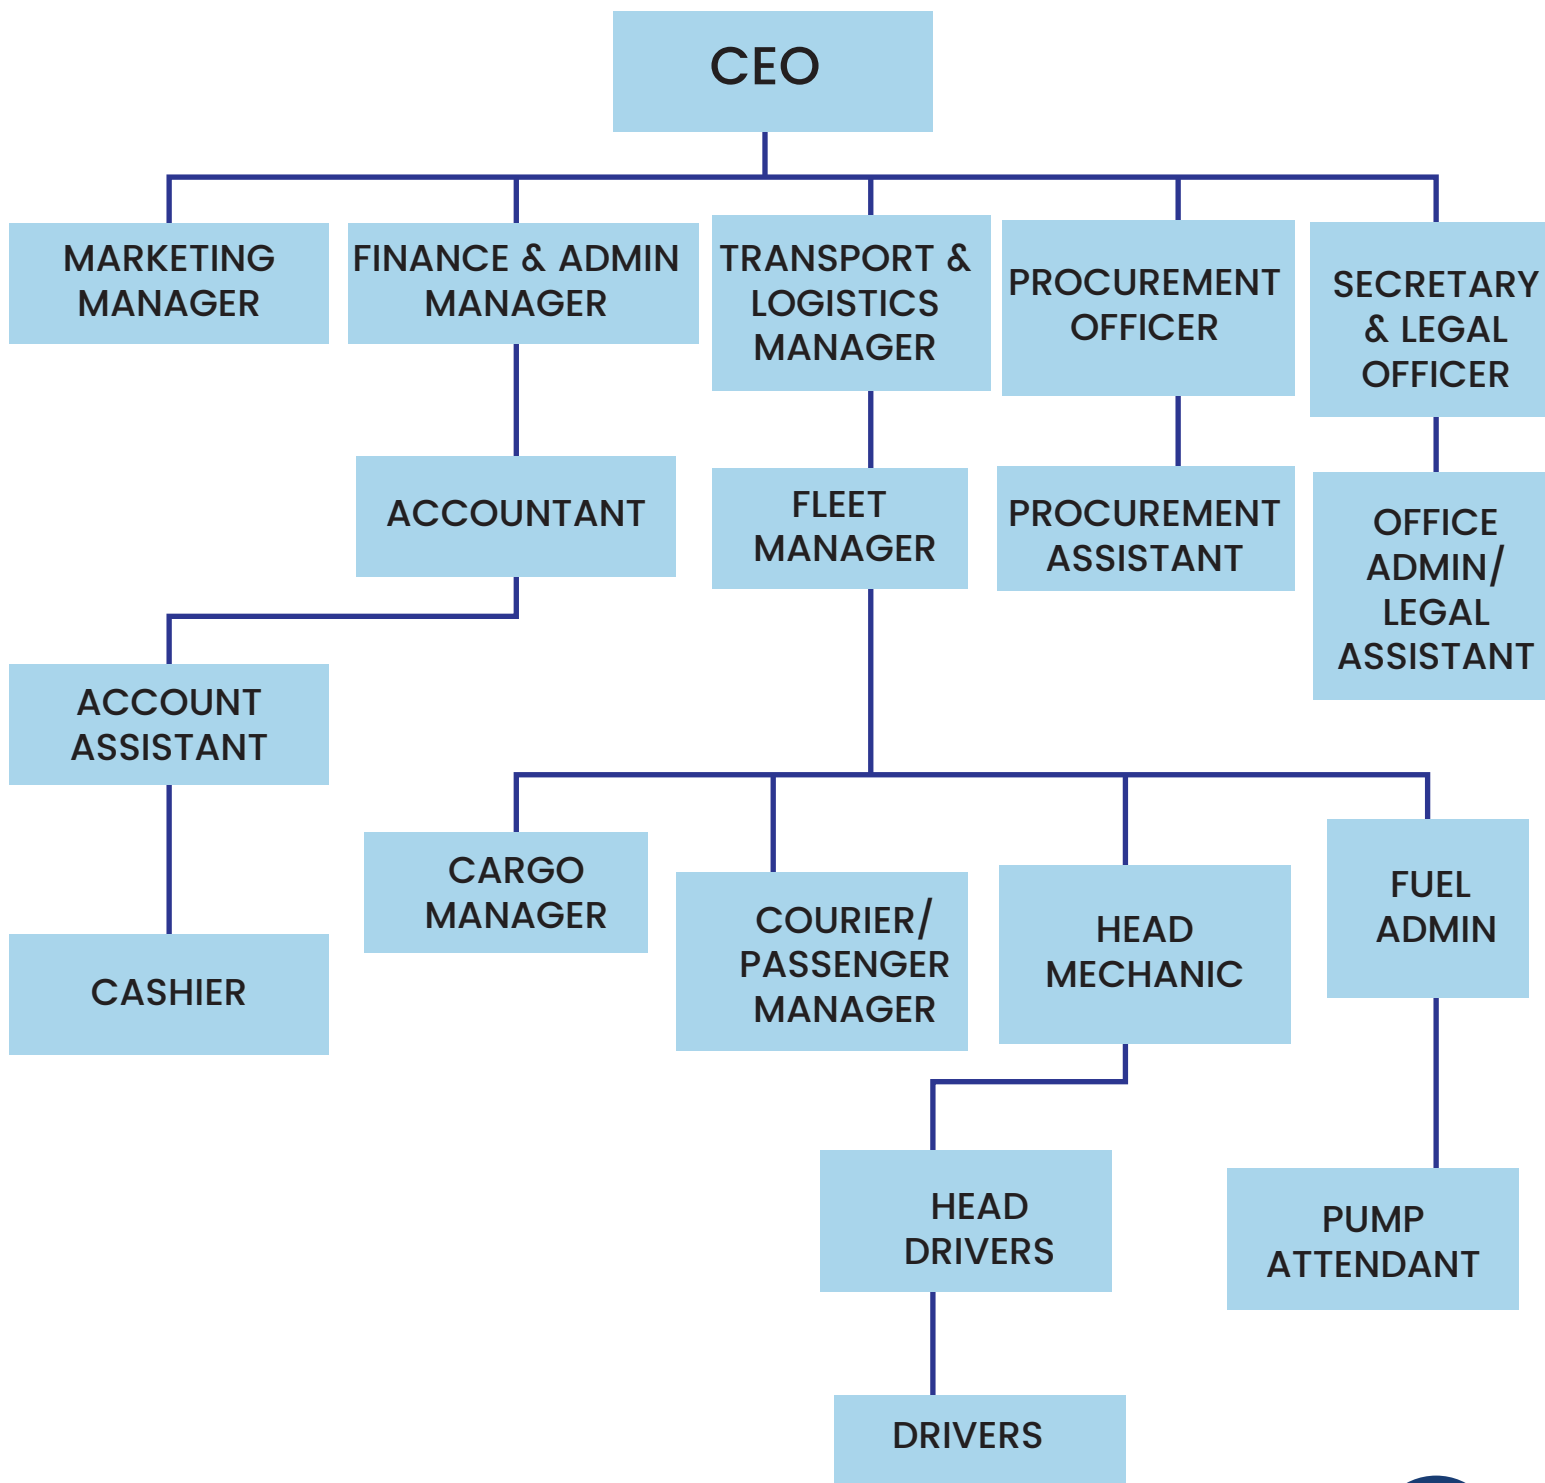

Our Philosophy

Quality services with reliability.

ABOUT US

Organogram

OUR TEAM

Managing Director

Tuhirirwe Andrew . N

Andrew holds an MBA and has over 13 years' in-depth work experience, 8 years of which are at senior level management at NSSF-Uganda. He has a huge range of abilities from providing support to leadership teams. Additionally, Andrew has a strong appreciation of strategy, good analytical and problem solving skills with a reputation of delivering consistent results with diligence, innovation, reflection and giving others space to make their contribution. He is focused and strategic with a high sense of maturity, tolerance, and flexibility. He has the capacity to work with cross/multi-cultural scenarios.

Director

KABAGONZA LOVIN

Lovin is a graduate of Bachelors of commerce (finance option) from Makerere University Business School. She is currently pursuing her Masters in Business Administration at Uganda Management Institute. She has worked in several capacities of Tamo Link Services on several projects all over the country. She has been able to greatly contribute to the revenue growth of the company. She manages Tamo Link Services' business relationships with its clients. She has over 4 years of experience in the logistics and finance industries.

OUR TEAM

Chief Executive Officer

JOHN MWESIGE

Mwesige is a graduate of Association of Chattered Certified Accountant (ACCA UK). He also holds certification as a Certified Public Accountant with the Institute of Certified Public Accountants of Uganda (ICPAU). Prior to pursuing a career as a professional accountant, John earned his Bachelor's degree in Business Administration from Makerere University. He holds an Advanced Diploma in Accounting and Finance from Institute of Commercial Management UK, Uganda Diploma in Business studies from Makerere University Business School and Certificate in Strategic Procurement in Logistics Management from Makerere University.

Fleet Manager

MUHEREZA EVARIST

Evarist is a graduate of Bachelor of Science in automotive and power engineering with additional post graduate diploma in logistics and transport management. He also acquired specialized trainings in oil gas covering Mooc studies from exploration to production and energy transition.

He is an energetic, innovative and dynamic fleet manager who has a proven track record in managing a highly commercial operation in a fast-paced environment. He has experience of effectively running a successful transport function in a high pressure environment. He is responsible for the transport and distribution operations and also for providing excellent standards of service, efficiency and performance through outstanding people management skills.

OUR SERVICES

Transportation

We are among the top logistics companies in Uganda. We're experts in inland transportation and moving of very heavy loads. We have all the specialized equipment including hydraulics and modular loaders.

If you need your goods to be transported efficiently, we're here for you. We ensure that all your goods are well packed and safe from the time they leave to the time they reach their final destination.

OUR SERVICES

Construction

We have a proven track record and capability to deliver end-to-end construction and property solutions across a broad range of sectors from Commercial, Residential, Health, Retail, Tourism & Leisure, Education, Government and Industrial.

Our highly skillful project teams deliver superior knowledge about the latest trends in the construction industry through in-depth reporting and exploration. We critically appraise the impact of numerous economic and operational scenarios in the global and local construction market trends and deliver this to Clients and Consultants to assist them in controlling building costs and maximizing value for their money on projects.

We have teams that understand and can address the present needs and are always keen on what's coming next so that the long-term requirements of our Clients are never compromised.

OUR SERVICES

Supplies

Our aim is to become a “one-stop” provider in general supplies majorly in construction, office, schools, hospitals and agricultural supplies.

Tamo Link Services is an energetic company with relevant expertise and experience to provide different services, products and solutions to various markets. Our core aim is to ensure client satisfaction and timely delivery while paying key attention to quality, efficiency and professionalism.

Our mission and values outline who we are, what we seek to achieve and how we want to achieve it. We listen, offer competitive prices and give the best for satisfaction of our clients as we practice ethical business practices.

OUR POLICIES

Our Health Policy

Health & Safety is an inherent part of our corporate culture and fundamental to our everyday philosophy whether working in the office or out on our project sites. We are committed to creating an injury free, safe working and healthy lifestyle and ensure that not only our coworkers and employees get home safely to their families every day but also our Clients, Subcontractors, Suppliers and Construction partners.

Our Environmental Policy

We believe that the protection of the environment is an important element of our corporate culture and that no process is so important that we cannot find a safe, healthy and environmentally friendly and sound way of achieving it. We take steps to decrease any impact as much as possible to the environment and community by coming up with solutions to reduce environmental impact and always aim at performing our jobs in an environmentally friendly way.

Our Quality Policy

Superior quality has always been at the heart of Tamo link Services which has set us apart since day one within the Ugandan market. We take pride in delivering unparalleled, high-quality workmanship and service and we are determined to consistently exceed the expectations of not only our Clients and the industry in everything we do but also to push the Company's quality standards higher to international levels.
